Tuesday night is race night

GS Aquatics Club holds Tuesday race nights for all Club members throughout Term 1 (Jan – Apr) and Term 4 (Oct - Dec).

Race Night provides swimmers with the opportunity to race against the clock in a variety of strokes. Times are recorded and each week swimmers can aim to improve their individual times in a fun, competitive environment. Fastest recorded times (for 8yrs and over) are displayed on the Club Honour Board. Starting at approx. 5pm, swimmers receive a fun warm up with a few dive practices from inspirational coach, Peter Diamond, before competition begins at 5:30pm.

Race Night is all about fun and provides kids with a platform to trial competitive swimming safely.

Top results and time improvements from Race Night and Club Championships are celebrated at the Club Awards Night at the end of the season.
